

ICT 2015 Networking Session

Europe – Japan collaboration, an opportunity for world-leading research

Room 10, 21/10/2015

Agenda

14:50 – 15:05 Experiences and lessons learned on EU-JP cooperation

This presentation will put together experiences and lessons learned coming from the partners of the ClouT, FESTIVAL and iKaaS projects.

15:05 – 15:15 Highlights on EU/JP H2020 future cooperation opportunities

During this presentation highlights will be given on the next H2020 possible opportunities to set up an EU/JP collaboration.

15:15 – 15:35 Pitch session – Present your new ideas!

Attendees are invited to give a 2 minute presentation on new ideas for the next H2020 calls. It will be an opportunity to collect feedback and meet potential partners. You can also give a self-presentation if you are interested in sharing your knowledge and experience in a new consortium.

To take part in the pitch session e-mail: isabel.matranga@eng.it (session organiser) or levent.gurgen@cea.fr (coordinator of ClouT and FESTIVAL projects)

ClouT, iKaaS and FESTIVAL project partners are looking forward in meeting you!
